

Agenda of First Academic Council Meeting of Beant College of Engineering & Technology, Gurdaspur to be held on 18/09/2014 at 11.00 am in the conference hall

Item No. 1.1 Approval of Academic Calendar

The Academic Calendar for the session 2014-15 has been prepared by the Academic Section of the College and is placed at Annexure-I. (Page No. 3)

The item is placed before the Academic Council for approval.

Item No. 1.2 Information of admissions pertaining to the year 2014-15 in UG and PG Programs(course wise)

The details of the admissions in the year 2014-15 are comparatively better than previous year and are presented in the Annexure-II. (Page No. 4)

The item is placed before the Academic Council for information.

Item No. 1.3 Approval of UG and PG manual for Academic regulation

The UG and PG Manual giving full details for the governance of the UG and PG programs have been prepared covering various aspects like admission procedure, formation of various departmental and institute level committees, registration rules, leave rules, academic requirements of the courses, examination system, evaluation systems and other general rules. These manuals are presented in the Annexure-III. (Page No. 5-125)

The item is placed before the Academic Council for approval.

Item No. 1.4 End semester examination related norms and regulations from year 2014-15

The detailed norms and regulations for the conduct of end semester examination have been prepared and presented in the Annexure-IV. (Page No. 126-132)

The item is placed before the Academic Council for approval.

Item No. 1.5 Pattern of the question paper

It is proposed to change the pattern of question paper for the end term theory examination for UG and PG courses and is presented below:

Question paper will have three sections viz. Section A, Section B and Section C. Section A will be compulsory and will have one third weightage of the total marks. This section will have 20 objective type questions covering entire syllabus of one marks each. Section B will consists of five questions from the entire syllabus out of which any four questions (five marks each) have to be attempted. These questions will be of subjective, short answer type and should

be designed to test theoretical/analytical/numerical skills of the students. The last section C will consists of three questions covering entire syllabus and any two questions(ten marks each) need to be attempted. The questions will be of subjective long answer type covering detailed derivations/analytical/detailed design numerical problems etc.

The item is placed before the Academic Council for approval.

Item No. 1.6 Remuneration for the Paper-setters, conduct of examination etc.

PTU norms will be followed for all kinds of remuneration regarding paper setting and conduct of end semester theory and practical examinations.

The item is placed before the Academic Council for approval.

Item No. 1.7 Formation of Board of Studies (department wise)

The Board of Studies for all branches has already been constituted and got approved by the honourable chairman BOG of the College and is placed at Annexure-V. (Page No. 133-137)

The item is placed before the Academic Council for information.

Item No. 1.8 Approval of Recommendations of BOS (department wise)

The Board of Studies for all branches have conducted their first meeting recently and the recommendations are placed at Annexure-VI (Page No. 138-168). Major recommendations are regarding the starting of the new PG course in each department and the panel of end term external/internal examiners for theory and practical examinations.

The item is placed before the Academic Council for approval.

Item No. 1.9 Starting of the new UG course of Civil Engineering from the year 2014-15

Keeping in view the present demand of Civil Engineering Graduates, it is proposed to start the new course of Civil Engineering with the intake of 60 students.

The item is placed before the Academic Council for approval.

Item No. 1.10 Any other item with the permission of Chair.

Member Secretary
Academic Council
